I, (property owner, generator, or LEP) having intimate historical knowledge of the property and/or having conducted a thorough environmental investigation into the property at the site listed above including historical CT DEEP spill and activity records and municipal documents hereby certify that the pesticide(s) contained in the petroleum contaminated soils generated from the site and in the Waste Product Survey submitted to Clean Earth of Connecticut was applied to the soil in the manner designed as its' proper use. This use makes the soil exempt as a solid waste as described in 40 CFR 261.2 Definition of solid waste. The exemption is as follows: CFR 40 261.2 (c) (1) (B) (ii) However, commercial chemical products listed in § 261.33 are not solid wastes if they are applied to the land and that is their ordinary manner of use.
