Ves No Ves	
	No
Is the cylinder DOT shippable? Exceeds bulge limitations?	
Manufactures label attached? External condition in good shape?	
Exceeds dent limitations? Vapor tight cap present if Zone A?	
Leak test performed? (must be yes to ship) Pass leak test?	
Protective valve cover/cap? Valve cap removeable?	
DOT/ICC Spec. Color/Markings:	
Section 4: Valve Information	
Yes No Yes	No
Valve appears workable? Regulator or attachments?	1
Outlet Threads Impaired? Outlet plug in place?	
Pressure relief? External condition in good shape?	
Relief type (if present) CGA Number (stamped on valve body)	
Section 5: DOT Shipping Information	
PSN - Yes	No
Hazard Class UN/NA ID # Zone Poison Inhalation Hazard	
Section 5: EPA/RCRA Information	
EPA Waste Codes: Regulatory Information:	
Section 6: Additional Information	
Section 7: Inspection Completed By:	
Print Name: Date:
