## Picric Acid (Trinitrophenol) Evaluation Form

Carra and an Maria							
Generator Name:			Ge	Generator Code:			
Generator Address:			Со	Contact Name:			
Generator Phone:			Contact Phone:				
Important! Upon discove	ring an item requiring (	evaluation, do not	remove it fro	m the storage	location. Only hand	dle the conta	ainer if
necessary to gain access t				_			
the container to gain info	_		nake every att	emperior to n	arraic the container	(3). 11 you 110	ed to namare
Virgin/ Sealed Material?	Yes	No	or	Spent?	Yes	No	
Has the container ever be	en opened?	Yes	No	If	Yes, enter the date	opened:	
Is the material Dry?	•	Or in	n Solution?		Yes Yes, enter the date	_	
List All constituent(s) and							
1. Picr	c Acid		%	2.			%
3.	c Acid		%	4.			%
5.			%	6.	acia/ squatic materi		%
Picric acid may not be mix	ed with metals, metal s	salts, speedi-dri, v	ermiculite, am	monia, lime, b	asic/ caustic materio	als, concrete	or plaster.
Reference manufacturers				, ,		•	,
Is there any evidence of c				ation, solid ma	iss or any other indic	cation	
of contamination?	Yes	No_		If yes descr	ibe:		
If in a clear container, wha	at is the solar of the ma	ntarial?					
ni in a clear container, who	it is the color of the ma	altial:					
Has the container been ur		_	customer)		Yes	No
